ENROLLMENT
MAY 6-17, 2019**

IT'S TIME FOR A BETTER BENEFITS EXPERIENCE

Welcome to Annual Enrollment! This is your chance to select your benefits for 2019 - 2020. We're excited to announce that your medical benefits will be provided by Blue Cross and Blue Shield of Illinois (BCBSIL), starting **July 1**. With this move, we will enhance your existing plan options, enrich your experience with new programs and resources, and get you better engaged with your benefits.

Take a look at what's new and weigh your options carefully, so you can choose the right benefits for you and your family. Make your elections from **May 6 - 17**. Remember, unless you experience a change in family status, your benefit elections will stay in place until **June 30, 2020**.

ENHANCE

You still have the same great medical plan options to choose from: the **Core Consumer**, the **Enhanced Consumer**, and the **Traditional PPO (frozen to new enrollees as of July 1, 2018)**. But now your medical plan is backed by **Blue Cross and Blue Shield of Illinois**, which means some significant enhancements to your benefits experience:

- Blue Cross and Blue Shield of Illinois PPO network:** You now have access to a vast nationwide network of providers, with even more options for care. To find an in-network provider near you, visit www.bcbsil.com/anixter. If you are looking for your doctor in the BCBSIL network, select “Find a Doctor or Hospital” from the blue menu across the top. Use the “Guest” search feature and look for your doctor in the “Participating Provider Organization” network.
- Expert customer support:** Your BCBSIL medical benefits include concierge support through Health Advocacy Solutions (HAS). One phone number connects you with a personal advocate who works with an interdisciplinary team of experts to help you navigate the healthcare system. Call HAS, weekdays 7am – 7pm CST at **888-902-7887**. This number will be located on the back of your new BCBSIL card.
- Integrated pharmacy benefits:** With your medical and pharmacy benefits all in one place, you’ll have a consolidated, holistic look at your overall healthcare usage. You’ll also enjoy lower-cost specialty drugs, thanks to BCBSIL’s partnership with AllianceRx Walgreens Prime.

Not sure which medical plan to choose? We’ve highlighted the coverage details and monthly premiums for you here. Review your benefits guide online at mybenefits.anixter.com for more information and try the decision support tool during enrollment for help evaluating your options.
